**From all at School4kids
THANK YOU
You reached the target of
£5,000
for the Well fundraiser.**

The money has been sent out and work has commenced.

A hydro geophysical investigation was conducted on the 23rd March 2019.

Equipment start to come onto the Beacon of Power Academy site.

Once drilling is completed the well/bore hole is capped.

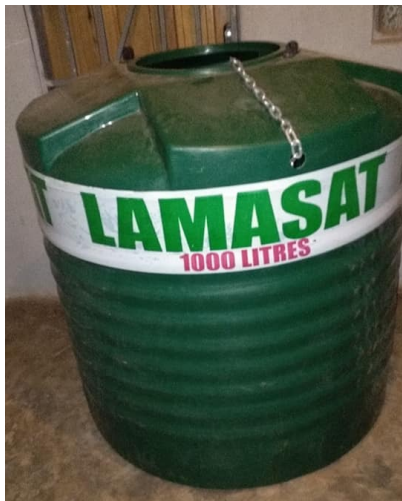

With the investigation complete drilling commenced.

The security house where the water tank will be standing has been built. This will supply water to the school, church and surrounding community.

Other items have been purchased. A 1000 litre water tank which will fit on top of the security house above.

Two poly pipes for connecting the pump and tank.

Other building works

As well as the well/bore hole work that has been going on at this time there is other major building work to complete the final phase of the school buildings.

Administration block, school offices, and the computer room.

School4kids change Banks

By now all sponsors and donators would have been contacted with the new bank details. Thank you all for your swift action in changing the details enabling funding to continue without a break.

Look out for the next issue later this year
