New Wine 2019 (United 19)

Those who were at New Wine this year will know that the under 30's group cooked breakfast for a contribution to School4kids and the final amount raised was £90.00 which is really good.

The school closed on Friday 2nd August for its summer break and reopened on Monday 2nd September

Malaria Outbreak

Also, on the Monday afternoon Adrian, Ed and myself served cream teas for a contribution and we collected an addition £80.00 for School4kids. Thank you to everyone who contributed.

As in previous years we would like to bless the families of the children at the Beacon of Power Academy by purchasing something that they will find useful so these contributions will go towards the 25kg bag of (Maze) Mealie meal/gifts that will be distributed in October.

Back in June at the end of the rainy season we learnt that a number of the children at the school had been affected by malaria and we made an appeal for funds so that we could supply mosquito nets. Because of your great support in this we were able to send out **£1,551** which enabled Maureen to purchase around 300 mosquito nets and distribute them to the families of the school children and to the local community.

This was truly amazing.

Malaria

Malaria is a mosquito borne infectious disease that can cause symptoms such as fever, tiredness, vomiting and headaches. If the infection is not promptly treated it can cause kidney failure, seizures, mental conditions, coma and death.

Zambia Trip 2019

It is just under four weeks to go before Richard Brown, Dave Summerhill, Michelle Moorcraft, and myself (Pete Moorcraft) fly out to Zambia, to attend and preach at the Cave Gathering in Solwezi.

As in previous years we will be visiting both sections of the school and seeing them in action, talking to staff and pupils, taking photos and videos to bring back and share with you all.

During this trip we want bless the families of the children at the Beacon of Power Academy by giving each family a 25kg bag of mealie meal.

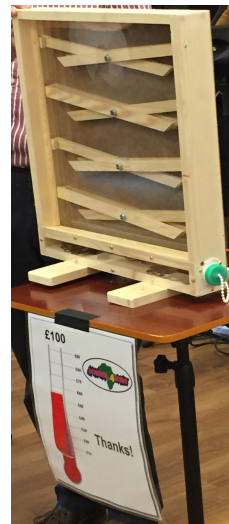

If you would like to participate in this I suggest a contribution of £10 would more than cover the cost. With anything over we will purchase other useful items for the families.

Feel free to give what you feel appropriate and be assured that this really blesses the families and they appreciate everything we do.

Donations can either be given to me in a School4kids gift aid envelope or transferred directly into the school4kids bank account. If you require the bank details please let me know.

Thank you in advance

Children's Collection

Since the introduction of the children's collection, over £1,700 has been raised and sent out to the school to purchase different items for the children. So far this include: Umbrellas, balls, watches, school bags, plastic shoes, clothing, soap, toothbrushes, toothpaste, flip flops.

We have just raised the next £100, which will be sent over in the next couple of weeks.

Thank you for your support
