Update

Currently there are 56 children attending the Beacon of Power Academy in 6 classes as follows; Pre-grade -15, Grade 1 -12, Grade 2 -11, Grade 3 - 8, Grade 4 - 7, and Grade 5 - 3. Of these 8 are newly enrolled, but this does not include 9 children that have not reported since January 2018, we are trying to find out why these have not attended to date.

Children Collection Update

New Life Church Bristol started collecting coins back in September 2016 and to date have sent out £1,100 which has been spent on various items for the children: umbrellas, balls, watches, plastic shoes, bags, second hand shoes, clothes, and recently on a hamper containing bath soap, washing powder, shoe polish, lotion, vaseline, biscult and lollipop.

Thank you for your support

Zambia Trip 2018

As in previous years a number of us are going out to Zambia in October 2018. The trip preparations are well under way with flights, hotel and car hire all booked.

During this trip we will be visiting the school and seeing it in action talking to staff and pupils.

During this trip we want to give out some gifts for the children and staff and nearer the time we will let you know how you can get involved.

Cholera Outbreak

In February 2018 it was reported that Zambia's cholera epidemic continues to slow with seven deaths recorded over the last month, eighty five people have now died since the outbreak of the disease in October 2017, out of 4,202 cases.
